**1) PREAMBLE**

**SPL INDUSTRIES LIMITED**  
**on Corporate Social Responsibility**

Corporate Social Responsibility (CSR) is strongly connected with the principles of Sustainability; an organization should make decisions based not only on financial factors, but also on the social and environmental consequences. Policy on Corporate Social Responsibility is mandatory as per guidelines of Companies Act 2013. CSR is defined within a frame work of Corporate Philosophy which factors the needs of the community and the regions in which corporate entity functions. Therefore, it is the core corporate responsibility of SPL INDUSTRIES LIMITED to practice its corporate values through its commitment to grow in a socially and environmentally responsible way, while meeting the interests of its stakeholders.

SPL recognizes that its business activities have wide impact on the societies in which it operates, and therefore an effective practice is required giving due consideration to the interests of its stakeholders including shareholders, customers, employees, suppliers, business partners, local communities and other organizations. The company endeavors to make CSR a key business process for sustainable development.

## **2) INTRODUCTION**

The Registered Office of the Company is in New Delhi, Corporate Office and plants are in FARIDABAD. primary beneficiaries of CSR should be those staying around the Plants. Poor and needy section of the society living in different parts should be second beneficiaries. Moreover, SPL's CSR policy should be integrated with the business plan so that environment and social concerned are well addressed along with growth in business.

In the aforesaid backdrop, policy on Corporate Social Responsibility of **SPL** is broadly framed taking into account the following measures: -

- a) Welfare measures for the community at large so as to ensure the poorer and needy section of the Society derived the maximum benefits.
- b) Contribution to the society at large by way of social and cultural development, imparting education, training and social awareness specially with regard to the economically backward class for their development and generation of income to avoid any liability of employment.
- c) Protection and safeguard of environment and maintaining ecological balance.

## **3) OBJECTIVE**

The main objective of CSR policy is to lay down guidelines for PGIL to make CSR a key business process for sustainable development of the Society. It aims at supplementing the role of the Govt. in enhancing welfare measures of the society based on the immediate short term and long term and environmental consequences of their activities.

## **4) AREAS TO BE COVERED**

## **6) IMPLEMENTATION**

- a) The investment in CSR shall be project based and for every project time framed periodic mile stones shall be finalized at the outset.
- b) Project activities identified under CSR are to be implemented by specialized Agencies and or by Staff of the PGIL. Specialized Agencies could be made to work singly or in tandem with other agencies.
- c) Such specialized agencies would include:
  - i) Registered Trust; or
  - ii) Registered Society; or
  - iii) A Company established by the Company under Section 8 of the Companies Act 2013; or
  - iv) Agencies having established track record of three years in undertaking specified projects/programs.
    - Voluntary Agencies (NGOs)
    - Institutes/Academic Organizations.
    - Trusts, Mission etc.
    - Government, Semi Government and autonomous Organizations.

**SPL INDUSTRIES LIMITED**  
**on Corporate Social Responsibility**

- Mahila Mondals/Samitis and the like
- Contracted agencies for civil works
- Professional Consultancy Organization etc.

(d) The areas / villages falling around plants shall be identified by respective GM/AGM/ Plant Heads.

## **7) SOURCE OF FUND**

As per Companies Act 2013 guideline on CSR, the fund for the CSR shall be allocated based on 2% of the Average net profits of the company for last three financial years (Total Allocated Funds).

## **8) APPROVAL OF CSR PROPOSALS**

The Corporate Social Responsibility Committee (CSRC) will examine & approve the proposals received from the Area Level Committee and decide allocation of funds at various heads / activities / projects.

The CSR Project shall be fixed for each financial year. This fund will not lapse. It will be transferred to CSR fund which will accumulate.

## **9) MONITORING**

- a) The impact made by CSR activities should be quantified to the best possible extent with reference to base line data, which need to be created before the start of any project.
- b) Meticulous documentation relating to CSR approaches, policies, programmes, expenditures, procurement etc. should be prepared.

## **10) REFLECTION OF CSR ACTIVITIES**

The CSR activities will be reflected in the Annual Report and Accounts of PGIL under Social Overhead (CSR). Proper records should be maintained for the activities taken up, agencies involved etc.

## **11) CONCLUSION**

The above guidelines would form the framework within which the CSR activities would be undertaken. Every Area should have specific activities to adopt mostly in their close vicinity of the projects.

The CSR Committee will review the Policy from time to time based on changing needs and aspirations of the target beneficiaries and make suitable modifications, as may be necessary.
